

Consent Form for Photography / Video

I give permission to Houston Academy to use photographs and/or video recordings, including images of my child, both internally and externally, to promote the school. These images may be used in print and digital media formats, including print publications, websites, e-marketing, posters, banners, advertising, film, and social media, teaching, and research purposes.

I understand that some images or recordings may be kept permanently once they are published as an archive of school life.

You have the right to request to see a copy of the information that we hold about your child and to request corrections or deletions of information.

You can ask the school to stop using your child's images at any time, in which case they will not be used in future publications but may continue to appear in publications already in circulation.

If you have questions relating to this consent form or the way we use photographs/videos at Houston Academy, please contact:

Brian Jackson

Director of Marketing and Communications
