LAPTOP BAGS FOR 11-INCH MACBOOK AIRS

Below is a list of suggested MacBook Air laptop bags that meet the required specifications. They are not the only acceptable bags but should aid you in choosing one. **A backpack, even with a padded area for a computer, will NOT meet this requirement. It must be a separate bag, just for transporting the computer, with a shoulder strap. Do not purchase a bag made of neoprene.** I would also suggest that you buy a hard shell cover. This is optional but has proven helpful in protecting the corners from drop damage that results in an insurance claim (and a \$100 deductible.)

Suggestion for optional Hard-Shell Cover. This one is available in a variety of colors.

(Choose the MacBook Air 11” option.)

*If you purchase a hard case shell cover, you will need to buy a 13-inch bag, so that the shell will fit. See the comments for 13-inch options. **No bags larger than 13.3 inches will be approved.***
