

# AP Chemistry – 2022 - Summer Assignment

Your summer assignment has been posted on Google Classroom. All assignments are from the 10<sup>th</sup> grade chemistry book. You will review chapter 14 and complete chapter 15. I would recommend you watch the videos and take notes before attempting the chapter 15 assignment. You will have a chapter 14 & 15 test Friday, August 17<sup>th</sup>. Please email during the summer if you have any questions about the assignment. **DO NOT** upload assignments. Assignments will be turned in on the first day of class.
