

Houston Academy: School Community Service Form 2023-24

Student Name: _____

Grade: _____

Notes: HA has established policies and procedures that regulate how students can earn community service hours toward the graduation requirement in the HA Upper School Student Handbook. Service hours cannot be earned for hours served during regular school or church service times nor for hours completed for family members or family businesses. If you are unsure of whether a service activity will be approved, it is highly recommended to ask in advance and to seek approval by emailing Mr. Selig at seligc@houstonacademy.com. Please note:

- HA prioritizes experiences performed at nonprofit organizations that serve the needy within the community.
- The maximum number of hours that can be claimed for an individual service experience is 24 hours per week.
