

August 1, 2023

Dear Houston Academy Parents,

Welcome back! I am happy to be back for my second year as PTO President at Houston Academy and work with parents and teachers to find new ways to strengthen our school.

Funds raised by HA PTO help provide our students with all the extras that tuition does not cover. In the past, we have helped with new lockers, band supplies, science lab supplies, student seating, bathroom renovations in Lower School, and preschool renovations. In 2022 and 2023, we provided funding for the new Middle School playground area, including the new astro turf play area, new swing sets and a double basketball court. Our goal for this year is to provide funding for a new lower school playground as well as continue to meet the other needs of our teachers, students and faculty.

PTO relies on parent volunteers to run our school committees and events. We understand our parents have busy schedules, but we would greatly appreciate any amount of support you can provide. Please consider signing up for volunteer positions by clicking on our volunteer form link.

You can sign up to volunteer quickly and easily here:

<https://form.jotform.com/202615925157153>

Please feel free to contact me with any questions you have or if you have ideas on ways PTO might provide support to our students and teachers.

Kindly,  
Elaine McNeal  
HA PTO
