

HA MIDDLE SCHOOL- September 2023

Making every day count!

Dear MS Families,

It's hard to believe we have been back in school for 4 weeks already. The month of August was filled with the opening of school events. It was great to meet so many of you at the Orientation session as well as at the Open House event.

The students are busy learning and are very active in the life of the school. August 25th we had our first House event of the year. New students selected their House and then the first friendly House competition took place.

Last week, the middle school community elected their Student Government Association officers and representatives. Congratulations to all of those who won. Congratulations are in order for all of the students who tried out and earned a part in Aladdin Jr. The performance will be October 19-21 at 7pm. so save the dates!

The athletic teams are in full swing. Please check the website for all of the different competitions going on. We are off to a great start. We are always working to make every day count.

Sincerely,
Jenny Uible
Head of Middle School
